Dear Mr. Strandes,

I love portage, and hear are some reasons why. Portage has many playgrounds. My favorite one is Ramona park because there's a lake near by. There are so many playground equitpment. Sometimes I have picnics there too. I also like the Portage Distric Library. There's so many books to read. I also like to go to the Air zoo because theres so many rides. my favorite one is the hot air baloon, it's amazing! In the winter my favorite thing to do is ice skate at Millennuim Park. The place is not to big or not to small. Sometimes when I'm cold or tired I buy some hot chocolate. Something I also like to do in Portage is ride my bike. There are good sidewalks to ride them on. I hope now you know why I love Portage.

Sincerely,

Nikita pai
