ADDENDUM #1

SHAVER ROAD RECONSTRUCTION

In accordance with the pre-proposal meeting held August 18, 2016, the following information is added to the request for proposals to provide further clarification:

- 1) The existing water main in Shaver Road is located on the east side of the roadway underneath the pavement in the outer east northbound lane near the shoulder. Water main replacement and resurfacing will include both the intersections of Vanderbuilt Avenue and West Centre Avenue.
- 2) The project shall be designed in accordance with the timetable included in the request for proposal with the intent to meet the March 2017 bid letting.
- 3) Design of the pedestrian crossing at Melody Avenue shall include extending the existing sidewalk west of the asphalt bike trail, using the existing track panels on the south side of Melody Avenue. The City will be in contact with MDOT regarding the need to have a review team for the pedestrian crossing of the railroad. For purposes of this request for proposal, the city will handle any necessary railroad permits or coordination of an MDOT review team if required.

All other terms, conditions, and specifications remain unchanged. Proposals remain due by 3:00 p.m., Thursday, August 25, 2016.

Questions regarding the scope of work to be accomplished may be directed to Jamie Harmon, Assistant City Engineer, at 269-329-4428. Questions pertaining to the selection process, insurance requirements, or other procedural requirements should be directed to Purchasing Department at (269) 329-4534.
