I Love Portage

Why leave Portage if it's so outstanding to live in! There's the unique entertainment, great schools, and awesome shopping centers. I hope lots of people will come to Portage and enjoy it as much as I do!

Do you have a boring life from where you live. Well then come on down to Portage. There's lots of unique entertainment. There's the amazing Celebration Cinema with any kind of movie you would like drama, action, adventures, humorous, and even romantic. They also have an Imax. My favorite type of movie is action. Also for the kids or teens there is the outstanding Putters. That has a sweet arcade inside and a stupendous putt putt golf outside! Putters is great for birthday parties and celebrations! I know because i've had one there before and they were great! There's also the marvelous Air Zoo. With history, entertainment like the simulators that are awesome. They have awesome historic planes like the Wright brothers first air plane. They have a replica that looks just like it. So get out of your house and enjoy the entertainment that Portage has for us.

Why leave portage if it has the most awesome mall we could ever have. The Crossroads mall has a huge variety of shopping centers. There is Macys, Jcpennys, Sears, Burlington the big stores with lots of clothes, shoes, and kitchen supplies. For the kids the Build-a-bear workshop. With lots of different kinds of stuffed animals. Now that it's almost Christmas there are polar bears, penguins, Rudolph the red nose reindeer and much much more. After you go shopping for two hours there is the splendid food court. With so much to choose from pizza places, Subway, chinese food with so much more. It could feed 14 hungry horses WOW! In the food court for the kids there is the marvelous carousel with lots of seats. The awesome part is that it has two floors! I hope everybody that comes to the Crossroads mall will have a splendid time!

Portage is the best place to live because of it's cheerful schools. In 12th street elementary all the teachers are delightful and so easy to get along with. The best thing is that if you don't understand a lesson they never give up til you do understand. They also have the best food there. It's so amazing! They have really healthy foods in the salad bar like apples, bananas, salads and much much more. The lunch ladies are really nice. My favorite food is pasta and chili! Also they so much terrific playground equipment especially for the little kids. Their equipment is really cool. The best thing of all is that we have the best principal in the world! She's very nice and plans fun stuff for us. We also have lots of fun days like ice cream day, movie night, popcorn day, crazy hat day with so much more! Why would I ever want to Portage if it has the best schools and it's so splendid!
