12<sup>th</sup> Street Elementary

I Love Portage!

Portage is like the North Star because people are attracted to the city.

There are so many things about Portage! Being an athlete, I enjoy the AYSO soccer fields, little league softball fields, and the 55 miles of bike paths. I also enjoy the friendly, clean, safe environment. I love the awesome, fun, award-winning public schools! My advice is, come to the North Star (Portage)!
