

## The Great City of Portage

In my opinion Portage is full of excitement. Some reasons are that there are fun entertainment, great things about Portage, and the nature. Portage is the best city !

The first reason is that there are so much fun entertainment. One of the fun things are that there are so many schools and I love all subjects. Also there are fun sports. I like them because when I grow up I want to be an athlete. Another hometown fun is the library. I like the library because you can get free movies, games, and books. Portage is the best city in entertainment.

Another reason I love this city are that there are great things about Portage. One reason is that Portage has recycling bins. I love recycling. Also Portage has many tall and beautiful buildings like City hall, the mall, and the stores. Another thing is that Portage is very festive. I like it at Christmas and the other holidays. Those are just a couple of reasons and there are still more.

Lastly I love the nature in Portage. One things are the lakes in Portage. I like them because I love swimming. Also I love the parks because I'm the kind of kid who likes playing outside. Another thing I love are the trails. I love the trails because I love running and walking. Portage has so much nature fun .

In conclusion there are great entertainment ,great things about Portage, and hometown nature. Portage is the best city ever!
