

I Love Portage!!!

My name is Elise Martinson, I am 10 years old and in 4th grade at Moorsbridge Elementary. I have lived in this town for 6 years. When moving to West Michigan my family decided Portage was a great place to live due to the schools and the family-friendly places. I love this town, from the parks to the awesome schools.

My favorite places to go in Portage are Celery Flats, I enjoy fall walks with my family, school (math is my favorite), the Portage District Library (I love to read), and the ice-cream shops, my favorite is Y'opa. I also like the friendly neighborhoods and trails for biking. My favorite activities are going to watch the high school football games, jumping at Skyzone, practicing outdoor soccer with my friends at Kingdom Sports, sledding at Northern High School, and shopping at Crossroads Mall.

Portage is a beautiful place to live between the places to go and the activities to do. I recommend this city to anyone. I love Portage!!!!!!!

Sincerely,

Elise Martinson
