## COMMUNICATION

---

**TO:** Team Managers

**DATE:** April 25, 2012

**FROM:** Patrick Linihan, Softball League Coordinator

**SUBJECT:** Schedule Memo for all Divisions

You may notice a change in division placement and number of teams. Due to the combination of many new teams joining with prior teams leaving, some returning teams have moved up a division to enable the new teams to start in the lowest division offered. In most cases, if a team was moved up (and NOT at the top of their 2011 division) so were other teams in their old division, resulting in a similar level of play. Divisions were created smaller and with less teams this year, providing a more competitive and equal level of play as well as the opportunity to play teams multiple times.

Additionally, if your division has an odd number of teams, both BYE weeks and DOUBLEHEADER games were scheduled in order to get the 13 game minimum guarantee.
