

DESERT SQUIRREL STRING BAND AND SCHLITZ CREEK

August 9, 7:00 p.m.

Celery Flats Amphitheatre

Rain site: Hayloft Theatre

Two great local acts, Desert Squirrel String Band and Schlitz Creek, will perform in the quaint outdoor setting at Celery Flats. Desert Squirrel will provide a blend of new and classic American music with the traditional string band arrangement of guitar, mandolin, banjo, fiddle and bass. Schlitz Creek cannot be classified as strictly traditional or progressive,

as they are armed with a polished repertoire of standard bluegrass tunes as well as a collection of refreshing and unusual choices for a bluegrass band. The Schlitz boys also perform several old country standards, popular instrumentals, and frequently accept audience requests during the shows.
