June 13 – **WHILE YOU DREAM, WHO IS UP IN THE SKY?** One of the most common dreams that people have is of them flying. Would you fly into space and visit the moon or the Big Dipper? Imagine if at night instead of dreaming you were a hunting bat, or owl. Explore the nocturnal world of these animals and constellations, as we have more fun than your wildest dreams. Movement, music and fun-filled props make this program a dream come true.

Special Event Held at Millennium Park June 27 – **SAFETY DAY** Join in for an interactive session with a Portage police officer and fireman, a paramedic and the American Red Cross as they discuss the best ways to stay safe. Safety vehicles will be on hand for you to see and explore—provided they are not out on an emergency.

July 11 – **JIM GILL IN CONCERT** Jim Gill will bang out energetic rhythms on his banjo while everyone claps, jumps, dances and even sneezes along. The concert is filled with songs and stories from Jim's award-winning recordings and books for young children. Bring your own chair for seating. ***A joint venture with the Portage District Library.***

July 25 – **SPLISH SPLASH WATER FUN IN THE PARK** Celebrate summer as only kids know how! Remember playing in the sprinkler when you were a child? We will create a variety of fun, wet outdoor activities for your child to play in the water at the Celery Flats Historical Area.

August 8 – **ARTS & CRAFTS DAY** Let the artist in you shine as Celery Flats is transformed into a mini art show. Help create Peace Flags to be on display at Art Encounter on August 10 at the Portage District Library and Portage Senior Center. There will also be crafts of your choosing to take home with you.
