Case No. 12-16786

On 10/3/2012 at approximately 1:10 a.m., Police and Fire units with the Portage Department of Public Safety were dispatched to a rollover personal injury accident on the exit ramp from southbound US-131 to I-94. Based on the initial investigation, it appears that a 37-year-old Florida resident was driving a tractor trailer southbound on US-131. He exited onto the interchange ramp for I-94, lost control, jackknifed, and overturned. The driver sustained non-life-threatening injuries and was transported to Bronson Hospital by ambulance.

The tractor trailer partially blocked the ramp from southbound US-131 to eastbound I-94. The trailer contained approximately 41,000 pounds of meat.

Anyone with information is asked to call the Portage Department of Public Safety at 329-4567 or Silent Observer at 343-2100, www.kalamazoosilentobserver.com.
