### FOR IMMEDIATE RELEASE

Date: 9/25/12  
Case No.12-16293

On September 25, 2012, at 12:47 p.m., the Portage Department of Public Safety Fire/Rescue and Police responded to a vehicle rollover collision in the 3400 block of southbound US 131, near I-94.

Initial investigation at the scene indicated that a southbound vehicle quickly merged from the westbound-to-southbound entrance ramp into southbound traffic. The action caused southbound traffic to take evasive action. One of the vehicles, driven by a 62-year-old Kalamazoo woman, went off the roadway and rolled over several times. The driver was transported to Bronson Hospital by Life EMS with a reported broken arm. The vehicle that caused the evasive action continued southbound.
