FOR IMMEDIATE RELEASE

The Portage Department of Public Safety and Portage Public Schools, with the assistance of several other local businesses and agencies, will be holding a mock drunk driving accident for students at Portage Central High School. This realistic simulation will be performed to stress the dangers of drinking and driving as prom and graduation approaches. The simulations will be held on Wednesday April 23, 2014, at 1:03 p.m. and at 1:59 p.m.

On Thursday, April 24, and Friday, April 25, 2014, the Portage Department of Public Safety and the Portage Public Schools will continue the education as students utilize a drunk-driving simulation using a GEM car with Fatal Vision Goggles. The goal will be to have every member of the Junior and Senior classes participate. This event will begin at 7:45 a.m. both days and will run throughout the school day.

All the above-listed events are scheduled to take place in the parking lot near McCamley Field.
