Case No. 14-9803

On June 9, 2014, at 9:27 p.m., Portage Police and Fire units were dispatched to a two-car rollover accident at the intersection of S. Westnedge and Idaho Avenue. The preliminary investigation indicates that a 1994 Honda, four-door, driven by a 31-year-old female from Parchment, was turning northbound off Idaho Avenue onto S. Westnedge Avenue when it struck a 2005 Saturn van, which was being driven by a 35-year-old female from Kalamazoo. The collision caused the Saturn to overturn, coming to rest on its driver's side. The driver of the Saturn was transported by ambulance to a local hospital for minor injuries.

Based on evidence at the scene, coupled with witness statements, it is believed the driver of the Saturn van failed to stop for a red light, which lead to the collision.

Anyone with information is asked to call the Portage Department of Public Safety at 329-4567 or Silent Observer at 343-2100, www.kalamazoosilentobserver.com.
