FOR IMMEDIATE RELEASE

Date: 05/11/2015
Case No. 15-5219

On May 11, 2015, at approximately 9:00 a.m., the Portage Department of Public Safety received information of subjects manufacturing methamphetamine at a residence in the 5200 block of Regay Street.

Upon officers' arrival, a male and female subject were located in an unattached shed on the property. A search warrant was obtained for the property, and a search was conducted, resulting in the discovery of three "one-pot" style methamphetamine labs, numerous other methamphetamine manufacturing components, a surveillance system, and a 22 caliber handgun.

The case is still under investigation, and charges of manufacture methamphetamine and felony firearm will be pending.

Anyone with information is asked to call the Portage Department of Public Safety at 329-4567 or Silent Observer at 343-2100, www.kalamazoosilentobserver.com.
