Case No. 15-10331

On June 24, 2015 at 5:05 a.m., Portage Public Safety Fire/Rescue and Police personnel responded to US-131 at I-94 on the report of a single car motor vehicle crash. Upon arrival, Portage Public Safety personnel found a single car that appeared to have been traveling south on US-131 before leaving the left side of the roadway. The vehicle then crashed into the bridge abutment for eastbound I-94 traffic. Portage Fire/Rescue personnel, along with Pride Care Ambulance personnel, removed the lone occupant without incident. The occupant, a 22-year-old Portage woman, was transported to Bronson Hospital for apparent non-life-threatening injuries. The crash remains under investigation. At this time, alcohol and speed are not believed to be factors.
