Case No. 16-2106

Structure Fire

At approximately 4:00 a.m. on Sunday, June 5, the Portage Department of Public Safety Fire Division responded to a structure fire in the 1400 block of West Centre. Upon arrival, fire crews found the lone occupant outside with smoke inhalation. Fire crews extinguished the fire within ten minutes of their arrival and contained the fire to the upstairs bedroom. Damages were estimated at \$10,000. Texas Township Fire assisted on the scene and with station coverage. Portage Police also assisted on the scene.

The Portage Fire Marshal will be investigating the fire; the cause is unknown at this time. The occupant was treated by Pride Care Ambulance and released at the scene. No other injuries were reported at the time of the incident.
