Case No. 17-28378

On October 8, 2017, at approximately 2:05 a.m., Portage Department of Public Safety Police and Fire personnel were dispatched to the intersection of W. Kilgore Road and Old Colony Road in reference to a two-car personal injury accident.

Upon arrival, public safety personnel determined a 2013 Honda Pilot was traveling east on W. Kilgore Road when a 2005 Chevrolet Impala, traveling south on Old Colony Road, failed to stop at the stop sign, subsequently striking the Honda Pilot. Two passengers in the Honda Pilot were transported by ambulance to a local hospital for minor injuries.

The preliminary investigation indicates the 27-year-old Kalamazoo resident who was operating the Chevrolet Impala was at fault in the accident and suspected of operating under the influence of alcohol. Charges will be submitted to the Kalamazoo County Prosecutor's Office on those related charges.

Anyone with information is asked to call Portage Public Safety at 329-4567 or Silent Observer at 343-2100, www.kalamazoosilentobserver.com.
