2013 Major Street Reconstruction Program – Romence Road Parkway (Lovers Lane to Portage Road)

Beginning August 5, 2013, road construction will begin on Romence Road Parkway between Lovers Lane and Portage Road (weather permitting). The Romence Road Parkway improvement project will consist of cold milling of the existing roadway and repaving, minor curb and gutter repairs, upgrades to sidewalk ramps to comply with the *Americans with Disabilities Act* and minor pedestrian signal upgrades at Lovers Lane and Portage Road. During the construction Romence Road Parkway (Lovers Lane to Portage Road) will remain open to traffic along with driveways to all residences and businesses. Work will be completed through the use of lane closures and traffic lane shifts, however, traffic delays can be expected and through traffic is encouraged to seek alternate routes. Work is scheduled to be completed by September 27, 2013.

For more information on this project, please call the Department of Transportation & Utilities at 329-4422.
