Zylman Avenue Storm Sewer Extension Project Portage Road to Highland Drive

Construction on Zylman Avenue (Portage Road to Highland Drive) will begin on Wednesday, August 5, 2015. Weather and materials permitting, the project is tentatively scheduled to be completed the week of August 17, 2015. The construction process will consist of removal and replacement of driveway approaches and installation of storm drainage structures. During construction, Zylman Avenue (Portage Road to Highland Drive) will remain open to through traffic at all times. There will be shoulder closures for west bound traffic and motorists are advised to drive with caution through the construction zone.

For more information on this project, please contact the Department of Transportation & Utilities at 269-329-4422.
