West Osterhout Avenue Reconstruction Shaver Road to South Westnedge Avenue

Construction will begin on West Osterhout Avenue from Shaver Road to South Westnedge Avenue starting on Monday, August 10, weather and materials permitting. Construction will consist of new sanitary sewer installation, (Lloy Street to South Westnedge Avenue), minor shoulder widening and new asphalt surface. During construction, through traffic will be detoured; however, local traffic maintained. Traffic detour routes will be Oakland Drive to Shaver Road and West Melody Avenue to South Westnedge Avenue. Access to all driveways and business will be maintained on West Osterhout Avenue throughout the construction period. The project is anticipated to be completed by October 31, 2015.

Traffic and construction updates will be made through the *PortageAlert* system. To sign up for *PortageAlert*, visit www.portagemi.gov, follow the links to the *PortageAlert* portal, sign up and subscribe to the *2015 Osterhout Avenue Reconstruction Project*.

For more information on this project, please call the Department of Transportation & Utilities at 329-4422.
