South Westnedge Avenue Reconstruction (Mall Drive to Dawnlee Avenue)

Construction is set to begin on South Westnedge Avenue from Mall Drive to Dawnlee Avenue the week of May 4, 2015, weather permitting. This section of South Westnedge Avenue will undergo improvements consisting of removal and replacement of the existing pavement, new water main installation and storm drainage improvements.

The City of Portage is committed to keeping the traffic flowing during the construction period. There will be periods of lane restrictions but access to driveways will be maintained throughout the construction. Traffic delays can be expected in this area and through traffic is advised to use alternate routes. It is anticipated that construction will be substantially completed by late July (weather and materials permitting).

For more information, please call the Department of Transportation & Utilities at 329-4422.
