Oakland Drive Reconstruction (I-94 to Kilgore Road)

Construction is set to begin on Oakland Drive from I-94 to West Kilgore Road the week of April 27, weather permitting. This section of Oakland Drive will undergo improvements consisting of street widening of the right turn lane at West Kilgore Road, removal and replacement of the existing pavement, rehabilitation of the West Fork culvert under Oakland Drive, and select sidewalk repairs.

Through traffic will be maintained during the construction period; however, this section of Oakland Drive will be limited to one lane traffic in each direction throughout the project. Traffic delays can be expected in this area and through traffic is advised to use alternate routes. Access to business driveways will be maintained at all times throughout the project. It is anticipated that resurfacing on Oakland Drive will be completed no later than June 30, 2015 (weather and materials permitting).

For more information, please call the Department of Transportation & Utilities at 329-4422.
