City Centre Area Construction

With railroad track repairs complete on West Centre Avenue (between Shaver Road and South Westnedge Avenue) the road will be back open to through traffic by 5 p.m. on Thursday, June 23, 2016, weather dependent. Road construction will continue in

the City Centre Area, with lane restrictions on South Westnedge Avenue between West Centre Avenue and Shaver Road, on West Centre Avenue between Shaver Road and South Westnedge Avenue and on Library Lane. The project involves

removal and replacement of existing pavement, minor drainage improvements and concrete ADA ramps. Access to businesses will be maintained at all times during the project. Through traffic is advised to be alert for lane closures and construction activities in the vicinity and may wish to seek an alternate route to avoid delays. Work for this project is anticipated to be substantially complete by July 1, 2016.

For more information about this project, please call the Department of Transportation & Utilities at 329-4422.
