Kilgore Road Bridge Replacement (Burdick Street / Woodmont Drive to Lovers Lane)

Construction on replacement of the Kilgore Road Bridge over Portage Creek will begin the week of July 8, 2013. Weather and materials permitting, the bridge replacement is scheduled to be complete by November 15, 2013. The construction will consist of the removal of the existing bridge structure and replacement with an arched bridge, installation of safety railing and sidewalk and road resurfacing. During construction, Kilgore Road will be closed to through traffic between Burdick Street / Woodmont Drive and Lovers Lane. Traffic detour routes will be Burdick Street, Cork Street and Lovers Lane. Access will be maintained to all local businesses on Kilgore Road.

For more information on this project, please call the Department of Transportation & Utilities at 329-4422.
