South Westnedge Avenue Reconstruction Project (South Shore Drive to Melody Avenue)

Construction is set to begin on South Westnedge Avenue from South Shore Drive to Melody Avenue the week of July 7, 2014, weather and materials permitting. This section of South Westnedge Avenue will undergo improvements consisting of removal and replacement of the existing road surface, installation of new water main and water services, storm drainage improvements and sidewalk replacement. Construction is expected to run through October 2014.

During construction, through traffic will be detoured at Osterhout Avenue and West Melody Avenue for the duration of the project. Local traffic on South Westnedge Avenue and abutting neighborhoods will be maintained at all times. For more information, please call the Department of Transportation & Utilities at 329-4422.
