Ball Out for CommUNITY Tournament & School Supply Give-Away

The City of Portage will host the inaugural Ball Out for CommUNITY Tournament & School Supply Give-Away on Saturday, September 18 from 10 AM to 2 PM at the Courthouse Athletic Center at 7365 South Sprinkle Road. The event will feature 3 vs. 3 basketball and volleyball tournaments for high school students and adults. The event will also include family-friendly activities for younger guests, with a school supply give-away (while supplies last).

Creating connections with other people and being exposed to a variety of thoughts and ideas leads to a strong and diverse community. Sports have a way of strengthening, unifying, and inspiring communities. They also serve as a way for people of different demographics and backgrounds to connect and compete together towards a common goal.

These tournaments are open to Portage residents or individuals who work in Portage. Register as a single-player or a three-person team by email at boydb@portagemi.gov by Friday, September 17. There is no fee to participate!
