Registration Deadline for 16th Annual KBC Bike Camp Approaching

Portage Parks & Recreation is partnering with Kalamazoo Bicycle Club for the 16th Annual KBC Bike Camp, beginning on Thursday, May 5 at the Portage Senior Center – 320 Library Lane. KBC Bike Camp is an award-winning educational and training program for beginning cyclists. Designed for adults and minors, ages 12 and older, this unique program provides many opportunities for families and adults to learn safe and efficient road cycling from League Certified Cycling instructors of the Kalamazoo Bicycle Club.

Kalamazoo Bicycle Club offers individual and family rates for Bike Camp. Registration fees include bonuses such as free entry to KalTour, Kalamazoo Bicycle Club's annual bike tour, a one-year membership to the Kalamazoo Bicycle Club, and more. Space is limited, so register by May 1 to secure your spot and get the best rate before fees increase by \$15 on May 2. Registration closes May 4. To register and view the camp schedule, visit **mypark.portage.mi.gov**.
