South Branch Sanitary Sewer Trunk Line Traffic Control

On Monday, June 27, 2022, Pipeline Management Company will begin cleaning and televising the South Branch of the city's sanitary trunkline sewer. The work will require intermittent lane closures and flagging as needed between the hours of 7 AM and 7 PM Monday through Thursday until work is completed. Roads that will be affected include South Westnedge Avenue, Crockett Avenue, Newhouse Avenue, West Melody Avenue, and Shaver Road. (See attached map for details.)

Motorists are advised to be alert for construction activities and may wish to seek an alternate route to avoid delays. The cleaning and televising of the South Branch are scheduled to be completed by July 14, 2022, materials and weather permitting.

For more information, please call the Department of Transportation & Utilities at 329-4422.
