### **City Sending Corrected Summer Tax Bills to Portage Property Owners**

The City of Portage 2022 summer tax bills were mailed to Portage property owners on Friday, July 8, 2022, and contain incorrect tax information. The city's bill printing and mailing vendor accidentally used 2021 winter tax data when printing the 2022 summer tax bills. The city has taken immediate action to correct the 2022 summer tax bills, which are expected to be mailed by July 15, 2022. The costs for printing and mailing the corrected 2022 summer tax bills will be paid by the city's bill printing and mailing vendor.

Portage taxpayers are asked to disregard the incorrect tax bills (on yellow paper) and watch for the corrected tax bills (on beige paper) to be delivered the week of July 18, 2022. The corrected 2022 summer tax bills will be mailed in envelopes marked as "IMPORTANT: CORRECTED TAX BILL ENCLOSED." In the meantime, taxpayers wishing to view tax amounts can visit [portagemi.gov/154](http://portagemi.gov/154). Mortgage companies received the correct data derived from the city's online tax database. Portage property owners need not be concerned that their mortgage company received inaccurate information.

Questions regarding the 2022 summer tax bills can be directed to the City of Portage Treasury Office at (269) 329-4455.
