Boil Water Advisory (5603 - 5811 Oakland Drive)

On August 14, 2022, a hydrant was hit at 5603 Oakland Drive. A section of water main was depressurized so repairs could be made. Affected customers from 5603 – 5811 Oakland Drive are advised to boil their tap water for a minimum of one minute prior to use for drinking, brushing teeth or cooking.

This is a precautionary measure and all means of flushing and collecting bacteriological samples from the water main before the advisory is lifted will be followed. A news release and direct notification to the affected customers will follow once the advisory is over.

For more information, please call the City of Portage Department of Transportation & Utilities at 329-4422. For after hour questions, please call Veolia at (269) 324-9235.
