Experience the best of Ontario when we visit the villages of Niagara on the Lake (called the prettiest small town in Canada), St. Jacobs and historic Elora.

Along the way on day one we will tour the Dundurn castle – a historic neoclassical mansion in Hamilton. On day two we will stopover at the amazing Niagara Falls (Canadian side) and tour Riverbrink Art Museum in Queenston. Lunch will be at a popular winery along the Niagara Parkway, followed by time to enjoy the village of Niagara on the Lake and experience a Shaw festival play. Continue the third morning to lunch at the historic Elora mill by the Elora Gorge before moving on to St. Jacobs, noted for its “old world charm” and Mennonite heritage. A production at the country playhouse theater ends the day.

Homeward bound the fourth day includes a stopover and lunch in Sarnia before crossing the St. Clair River and the blue waters of Lake Huron.
