Evening Trip

Celtic Woman is celebrating 15 phenomenal years of music-making this year. The group is recognized as the most successful all-female group in Irish history. Come and celebrate life itself - feel the embrace of breathtaking music that transports you from your theater seat straight to Ireland, their spiritual homeland. Rejoice through the lilt of the fiddle and the beat of the drum.

The fully staged Celebration tour features the stunning band, two pipers, two drummers, traditional step-dancers, backing vocalists, and of course the four fantastic Celtic Woman soloists - Tara Mc Neill on fiddle and Irish harp, weaving her magic around the spine-tingling voices of Mairead Carlin, Eabha McMahon and Megan Walsh. Feel the drama of the songs and stories come vividly to life as they swirl around the stage, catching the light in their sumptuous costumes.

Enjoy a family style Amish dinner before the show (included).
