City of Portage Spring Cleanup Program Delay

The City of Portage Spring Cleanup Program is running behind schedule. The contractor that runs the program, Waste Management, has indicated that the delay is due to staffing issues and an increased amount of material being collected.

Residents are asked to place their unwanted household materials at the curb by 7 a.m. on their designated collection date. To view a collection map and program details, please visit portagemi.gov/283. Only one collection will take place in each neighborhood zone.

Please call the Department of Public Works at 329-4444 with any questions.
