Movies in the Park – Detective Pikachu

This summer, Portage Parks & Recreation “Movies in the Park” and “Friday at the Flats” will be held at a new location - Ramona Park (8600 South Sprinkle Road). The featured film this Friday, July 17, is *Detective Pikachu*. This event is a “Drive-In” style movie. All parking spaces will open at 4:30 p.m. and are first come, first served. Admission is FREE and open to the public thanks to the event sponsor, Honor Credit Union. No movie concessions will be available other than the food trucks, so make sure to bring your own popcorn, candy, and soda. Be sure to also bring your electronics to catch some Water Type Pokémon!

At Friday at the Flats, local food trucks and vendors offer a wide variety of food “to go” only from 5 – 8 p.m. No additional seating will be available. Whether you’re coming to watch the movie or just grabbing some take-out, enjoy food from Cairo's Kitchen, Neighborhood BBQ, Ibis Concessions, Coffee Rescue and Specialty Cheesecake.
